DEAR SECRETARY SHALALA:

I'M WRITING TO EXPRESS MY CONCERN OF THE POSSIBLE WEAKENING  
OF LABELING REQUIREMENTS FOR IRRADIATED FOOD THAT IS BEING  
CONSIDERED BY THE FOOD AND DRUG ADMINISTRATION. I STRONGLY  
BELIEVE THAT IT IS MY RIGHT TO KNOW IF THE FOOD I CONSUME  
HAS BEEN TREATED WITH RADIATION.

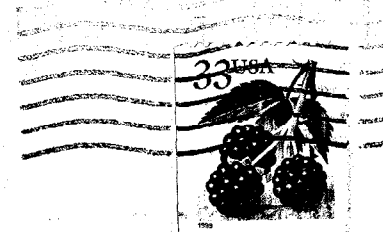

I HOPE THAT YOU WILL DEFEND THE CONSUMER'S RIGHT TO KNOW IN  
THIS IMPORTANT DECISION-MAKING PROCESS.

SINCERELY,

*Don Booth*
